

Golden Jubilee

Completion of 50 Years

Established 1972

Late Shri. GOVIND M. POY RAITURCAR
(FOUNDER OF OUR BUSINESS HOUSE)

GOVIND POY OXYGEN LIMITED

NUVEM, SALCETE - GOA

50TH ANNUAL REPORT 2021-22

Shri Sanjay Atchut Poy Raiturcar
(Chairman & Managing Director)

Shri Govind M Poy Raiturcar was the founder of our parent group of companies, established in the year 1869. He started the business from humble beginnings from a small trading shop at the Old Market, opposite The Municipal Building in the City of Margao, in the state of Goa. Over the span of his lifetime & generations after, his legacy was defined by the exactitude & righteousness he began with.

Shri Gopal Govind Poy Raiturcar, was the youngest son of our Founder & took over his duties around the same time as India received Freedom from the British Raj & was partitioned in 1946-47. As India imagined the identity & nature of new businesses within a recently free country, the three grandsons of Shri Govind M Poy Raiturcar were fuelled by their industrial backdrop & passion to establish various new firms across sectors. Thus, our company, M/s Govind Poy Oxygen Limited, came into existence and was incorporated in the year 1972. The, then Honourable Chief Minister of Goa, Smt. Shashikala Kakodkar, laid the foundation stone of the company - a momentous part of our history that we fondly look back upon.

M/s Govind Poy Oxygen Limited recently completed 50 years of genuine sincere service to our wonderful home state of Goa as well as the neighbouring states of Maharashtra & Karnataka. Over the course of 5 decades we have weathered many moments that question the role of businesses within society - we have bravely withstood severe & unfair competition from several newer entrants in this business have indulged in malpractices such as power theft, bribery, tax evasion and under filling of gases in cylinders, amongst other things. But our existence for 5 decades & accrued experience of a longer period has set a foundation for our business which aims to prioritise a resilient growth arc over a rapid unsustainable moment. The very premise of the establishment of M/s Govind Poy Oxygen Limited, is to serve the people & our statehood in its endeavour to explore commerce and its abilities to unlock the growth for us and others.

For the past 50 years, we have delivered on our commitments to our shareholders & all members by uninterruptedly paying regular dividends to all. We have ensured adequate returns to all our shareholders, despite an unscrupulous, non level playing field in our wonderful state like Goa.

As we enter into a new stage, our group is diversifying into Hospitality and Real Estate. The world is starting to truly recognise what makes life in Goa truly unique - the clean environment, its natural abundance of beauty, and inherent verdant greenery. Our goal is to sustainably harness these qualities to give people an unparalleled experience of living a Goan life and preserve its rich heritage name of 'Sunaparant'.

However Members can continue to hold shares in physical form.
13. The Registers under the Companies Act, 2013 are available for inspection at the Registered Office of the Company during business hours between 11:00 am to 1:00 pm except on holidays up to and including the date of the Annual General Meeting of the Company.
14. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant of the securities market. Members holding shares in physical form are therefore, requested to submit their PAN details to the secretarial department of the Company at its Registered Office.
15. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. The Nomination Form SH 13 prescribed by the

Government can be obtained from the Registrar and Share Transfer Agent or the Secretarial Department of the Company at its Registered Address.

16. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 and January 13, 2021, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
17. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice of AGM along with Annual Report for the financial year, 2021-22 is being sent only through electronic mode to those whose email addresses are registered with the company/depositories. Members may note that the Notice and Annual Report has been uploaded on the website of the Company at <https://govindpoy.com/>. The Notice as well as the Annual Report 2021-22 can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
18. Members are requested to send in their queries, if any, at least ten days in advance to the Company at the Registered Office of the Company to facilitate clarifications during the Annual General meeting.
19. **VOTING THROUGH ELECTRONIC MEANS:**

- (i) The voting period begins on 23rd day of September, 2022 at 9 a.m. and ends on 25th day of September, 2022 at 5 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the voting cut-off date of 19th day of September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020 and circular dated 15.01.2021 under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided by the authorities to enable e-voting to all the Demat account holders, by way of a single login credential, through their Demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating

seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depository Participants. Management Discussion and Analysis Report

The Board of Directors is pleased to present the Management Discussion and Analysis Report based on the current Government Policies and the Market Conditions.

Industry structure and developments

The Company is categorized as a Small Company as per the MSME Act, 2006 and operates in States in and around the State of Goa for the supply and manufacture of Industrial & Medical Gases. There has been no significant change or effect of the industry or any developments in the industry on the operations of the Company within the previous financial year, however the Company hopes to maintain an optimistic outlook toward the future.

Segment-wise or Product-wise performance

The Company operates in only one segment, i.e. the manufacture of Industrial & Medical Gases, and the primary products manufactured by the Company are Medical Oxygen and Industrial Gases such as Oxygen, Nitrogen, Dissolved Acetylene & Argon. The performance of the Company in this segment has been found to be satisfactory.

Opportunities

The Company's plant situated at Arlem, Salcete, Goa is equipped with latest technology and offers high quality products. The plant has all infrastructure facilities and is well connected with State highway. The Company manufactures (a) Industrial gases viz. Oxygen, Nitrogen, Dissolved Acetylene and Argon and its related grades and (b) Medical Oxygen. The Company caters to various industries and hospitals in entire Goa and neighboring states of Maharashtra and Karnataka.

In order to provide better service to its customers, Company also has depot at Kolhapur that caters to our customers in Maharashtra.

Risks and concerns

The Company faces risks in the market due to competitive prices and increase in competition from other entities in its market segment. Although the Company has put in its best efforts to combat such risks this still remains a major concern for the Company.

The Company also faces risks which are common in the industry like high costs for transportation, safety in the production process and transportation of products and timely recovery of dues from its customers.

Outlook

The Company has an optimistic outlook for the future performance of the company due to increasing government incentives for the industry and SME's in particular. The Company aspires to provide quality products at fair prices to have a steady and sustainable rate of growth over the years.

Internal control systems and their adequacy

The Company's internal control system over its operation has found to be adequate for the scale and size of its operations. The management, in consultation with the audit committee of its board of directors regularly reviews the adequacy and effectiveness of the internal control systems and undertakes improvements wherever necessary.

INDEPENDENT AUDITOR'S REPORT

To the Members of Govind Poy Oxygen Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Govind Poy Oxygen Limited** “the Company”), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl No	Key Audit Matter	How our audit addressed the Key Audit Matter
1	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 “Revenue from Contracts with Customers”</p> <p>Revenue is a key driver of the business and in respect of services provided there is a risk that revenue is recorded inappropriately relative to the provision of the underlying service. We have therefore identified revenue recognition as a key audit matter because of significant assessed risks of material misstatement.</p>	<p>Our audit approach was a combination of test of internal controls and substantive procedures which included, but was not limited to the following</p> <ul style="list-style-type: none"> • Documenting our understanding of the systems and controls around the recording of the revenue and assessing the design and effectiveness of such controls. • Evaluation of the revenue recognition policies for compliance with Ind AS 115 ‘Revenue from contracts with customers’ and consistency with the earlier period. • Assessing of revenue transactions on sample basis against the supporting documentation to determine whether the income has been appropriately recognised in accordance with the Ind AS and the Company’s accounting policy. • Comparison of the revenue with that of previous year and obtaining of explanations for significant or unusual variances.

Sl No	Key Audit Matter	How our audit addressed the Key Audit Matter
2	<p>Change in method of depreciation</p> <p>During the year, the management has reviewed the pattern of accrual of benefits along with the commensurate depreciation method which should be followed to depreciate its property, plant and equipment; and has decided to change the method of depreciation from SLM (straight Line Method) to WDV.</p> <p>Due to this change the depreciation for the year ended 31st March 2022 is higher by Rs. 36.67 Lakhs.</p> <p>We have considered the change in method of depreciation as a key audit matter given the relative size of the balance in the financial statements and significant judgment involved.</p> <p>Refer note 2(h) and 4 of the financial statements</p>	<p>Key observations: Based on our verification and according to the information and explanation given to us, we have found that revenues were being accounted for in accordance with the Company's accounting policy and Ind AS 115 'Revenue from contracts with customers'.</p> <hr/> <p>Our audit approach was a combination of test of internal controls and substantive procedures which included, but was not limited to the following: We understood and tested the design and operating effectiveness of controls as established by the management in determination of change in method of depreciation and accordingly the revised depreciation has been calculated based on the original useful life taking into account written down value method. Assessing the appropriateness of Company's accounting policy for depreciation of plant and machinery and compliance of the policy with the requirements of the prevailing accounting standards. For the purpose of determination of cost, the Company has considered the pattern of accrual of benefits.</p> <p>Key observations: Based on the above procedures performed, the management's determination of change in method of depreciation and its computation is considered to be reasonable.</p>

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the order.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the Members of Govind Poy Oxygen Limited for the year ended 31st March 2022)

Report on the Internal Financial controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls with reference to financial statements of Govind Poy Oxygen Limited (“the Company”) as at 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2022, based on the internal controls with reference to financial statements criteria established by the company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (‘ICAI’)

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to

financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2022

1. Corporate Information

Govind Poy Oxygen Ltd is a company registered under Companies Act 1956. The shares of the company are listed with Bombay Stock Exchange (BSE). The Company is in the business of production and trading of Medical Oxygen, Industrial Oxygen, Argon, Nitrogen, Dissolved Acetylene, etc.

The financial statements for the year ended 31st March, 2022 were approved by the board of directors and authorized for issue on 27th May, 2022.

2. Significant accounting policies

a) Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (“Ind AS”) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of Companies Act, 2013, (the ‘Act’) and other relevant provisions of the Act.

b) Basis of preparation

These financial statements have been prepared on historical cost basis except for certain financial instruments measured at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. These financial statements are presented in Indian Rupees (INR) which is the functional currency and all values are rounded to nearest Rupees in lakhs.

c) Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

Key sources of estimation uncertainty at the date of the financial statements pertain to:

i. Useful lives of property, plant and equipment.

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

ii. Valuation of deferred tax assets

The Company reviews the carrying amount of deferred tax asset at the end of each reporting period. The policy for the same has been explained under note 2f.

iii. Provisions and contingencies (Refer Note 2e)

None of the above estimates present a significant risk of a material adjustment to the carrying amount of assets or liabilities within the next financial year.

d) Revenue recognition

1. Sale of Goods:

Revenue is recognized as per Ind AS 115 on satisfaction of performance obligation provided commercial terms are known / agreed and reasonable assurance about the collectability of the transaction price exists. In respect of sale of products the performance obligation is considered as satisfied when risks and rewards of ownership of the goods are passed on to the customer – normally on delivery. Auxiliary revenue is recognized based on rights and obligations agreed with the customer / counter-party. Revenue represents the transaction price to which the Company is entitled excluding discounts, incentives and GST.

2. Interest and dividends:

Interest income is recognized on accrual basis wherever realisability is not in doubt. Dividends are recognized at the time the right to receive payment is established.

3. Penalty for delayed return of cylinders and other services:

Income is considered to accrue on time basis in accordance with the contractual terms with customers.

e) **Provisions and contingencies**

A provision is recognized where the Company has a present obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are discounted to its present value (unless of short term duration) and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements

f) **Income taxes**

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the income statement except when they relate to items that are recognized outside profit or loss, in which case tax is also recognized outside profit or loss (in other comprehensive income).

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961. Deferred tax is recognized, on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognized if there is reasonable certainty that there will be sufficient future taxable income to realize such assets.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

g) **Inventories**

Inventories are valued at lower of cost and net realizable value on first in first out basis. For this purpose cost of bought out inventories comprises the purchase cost of the items net of GST availed and the cost of bringing them to the factory. The cost of manufactured inventories comprises the direct cost of production plus appropriate overheads. The net realizable value of bought out inventories is their current replacement cost.

h) **Property, Plant and Equipment**

Property, plant and equipment are stated at cost of acquisition or construction less depreciation and impairment if any. All cost relating to the acquisition and installation of property, plant and equipment are capitalized and include financing cost relating to borrowed funds attributable to construction or acquisition of fixed assets, upto the date the asset is ready for intended use.

Depreciation is provided on the estimated useful lives of the assets considering the nature, estimated usage, operating conditions, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support. Taking into account these factors, the Company has adopted estimated useful lives as under, which are different from those prescribed in Schedule II of the Act as under:

<u>Type of Asset</u>	<u>Estimated useful life</u>
• Factory Buildings	30 years
• Plant and Machinery	15 years
• Furniture and fixtures & Electrical Installation	10 years
• Vehicles	8 to 10 years
• Cylinder / Containers	20 years
• Office Equipments	3 to 5 years

During the year the management has reviewed the pattern of accrual of benefits along with the commensurate depreciation method which should be followed to depreciate it's property, plant and equipment and has decided to change the method of depreciation from SLM (Straight Line Method) to WDV (Written Down Value).

i) **Impairment of assets**

Property, plant and equipment are evaluated for recoverability whenever there is any indication that their carrying amounts may exceed the amount recoverable through use or sale. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount and an impairment loss is recognized in the statement of profit or loss.

j) **Financial instruments: Classification, recognition/ de-recognition and measurement:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial instruments are recognized on the balance sheet when the Company becomes a party to the contractual provisions of the instrument. Initially, a financial instrument is recognized at its fair value. Financial assets are de-recognized only when the contractual rights to the cash flows from the asset expires or substantially all the risks and rewards of ownership of the asset are transferred to another entity. Financial liabilities are de-recognized when these are extinguished, that is when the obligation is discharged, cancelled or has expired. Financial instruments are measured / remeasured according to the category in which they are classified.

Financial assets held at amortized cost:

Financial assets that have contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently, these are measured at amortized cost using the effective interest method less any impairment losses. Expected credit loss is recognized for the entire dues from a customer as soon as the management review of receivables flags off a need for legal action or raises a significant doubt about recoverability.

These include trade receivables, balances with banks, short-term deposits with banks, other financial assets and investments with fixed or determinable payments.

Equity investments at fair value through other comprehensive income:

These include financial assets that are equity instruments and are irrevocably designated as such upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognized directly in other comprehensive income, net of applicable income taxes.

Dividends from these equity investments are recognized in the Statement of Profit and Loss when the right to receive payment has been established. When the equity investment is de-recognized, the cumulative gain or loss in equity is transferred to retained earnings from Other Comprehensive Income.

Equity instruments issued by the Company:

An equity instrument is any contract that evidences residual interests in the assets of the Company. Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

Financial liabilities:

Financial liabilities are recognized based on the underlying contractual terms and measured at amortized cost using the effective interest method.

k) **Employee benefits**

i. Defined benefits plans

Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement/ termination or on death while in employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Company funds its obligation in terms of its Group Gratuity cum Assurance Scheme with Life Insurance Corporation of India. The Company accounts for the liability for gratuity benefits payable in future based on an independent actuarial valuation, carried out as at the year end.

Remeasurement gains and losses

Remeasurement comprising actuarial gains and losses, the effect of the asset ceiling and the return on assets (excluding interest) relating to retirement benefit plans, are recognized directly in other comprehensive income in the period in which they arise. Remeasurement recorded in other comprehensive income is not reclassified to income statement.

The measurement date of retirement plans is 31st March.

ii. Defined contribution plans

The company has defined contribution plans for employees comprising of Provident Fund and Employee's State Insurance. The contributions paid/payable to these plans during the year are charged to the statement of profit and loss for the year.

iii. Other long-term employee benefits

Compensated absences

The Company provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation, carried out as at the year end.

l) **Borrowing Cost**

Borrowing cost that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for the intended use. All other borrowing costs are recognized on accrual basis and charged to the statement of profit or loss.

m) **Segmental Reporting**

The company is engaged in the business of manufacturing and trading of gases in the domestic market only and hence has only a single reportable segment, in terms of Indian Accounting Standards 108. The board of directors assesses performance of the Company and allocates resources as Chief Operating Decision Maker. The reporting of entity level revenue, operating results, assets and liabilities as reflected in the financial statements, thus complies with the segment reporting requirement as the same is consistent with the internal reporting provided to the Chief Operating Decision Maker.

3. **Recent pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1, 2022, as below:

(i) **Ind AS 103 – Reference to Conceptual Framework**

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

(ii) **Ind AS 16 – Proceeds before intended use**

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the Company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any significant impact in its recognition of its property, plant and equipment in its financial statements.

(iii) **Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract**

The amendments specify that that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

(iv) **Ind AS 109 – Annual Improvements to Ind AS (2021)**

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

(v) **Ind AS 106 – Annual Improvements to Ind AS (2021)**

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of

how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements

Notes:

- 1) The factory and ancillary buildings stand on a freehold plot of land of approx. 24000 sq metres which falls in industrial zone. The portion occupied by buildings / roads for extent business is not insignificant. The land was acquired for and continues to be held for industrial use and not for earning rentals or capital appreciation. For the purpose of application of Ind AS 40, no part of the land is therefore considered as investment property.
- 2) The company has opted for treating carrying values under the previous Gaap (iGAAP) as the deemed cost on the date of transition as permitted by Ind AS 101.
- 3) During the year the management has reviewed the pattern of accrual of benefits along with the commensurate depreciation method which should be followed to depreciate it's property, plant and equipment and has decided to change the method of depreciation from SLM (Straight Line Method) to WDV (Written Down Value). Post this change the company will follow the uniform method for it's property, plant and equipment till further review. Due to this change the depreciation for the year ended 31st March 2022 is higher by Rs. 36.67 lakhs.

31) Employee Benefits (Insurer managed fund)		
<p>A The disclosure as required under Ind AS-19 regarding the Company's defined benefit plans is as follows :</p>		
(i) Investment Risk:		
<p>The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. Currently, the gratuity liability is funded with Life Insurance Corporation of India which follows a regulated pattern of investment.</p>		
(ii) Interest Risk:		
<p>A decrease in the bond interest rate will increase the plan liability; however this will be partially offset by an increase in the return on the plan's debt investments.</p>		
(iii) Longevity risk:		
<p>The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.</p>		
(iv) Salary risk:		
<p>The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.</p>

The Management of funds is entrusted with Life Insurance Corporation of India.

The investment of funds are made by Life Insurance Corporation of India as per its standard investment policy.

Sensitivity Analysis

Gratuity (Defined Benefit Obligation) is less sensitive to demographic assumptions. Discount rate and salary escalation rates are the two variables to which the estimate is particularly sensitive to. The impact on Defined Benefit Obligation (DBO) of 50 basis points (bps) change in these variables is summarised below:-

Particulars	2021-22	2020-21
Change in DBO		
50 bps increase in discount rate	(0.46)	(0.56)
50 bps decrease in discount rate	0.48	0.58
50 bps increase in salary escalation rate	0.47	0.58
50 bps decrease in salary escalation rate	(0.46)	(0.56)

The Sensitivity analysis presented above have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the method and assumptions used in preparing the sensitivity analysis.

B The disclosure as required under Ind AS-19 regarding the Company's defined contribution plans is as follows :

I Contributions are made to recognized Provident Fund trust established by the Company and Family Pension Fund which covers eligible employees of the company. Employees and the Company make monthly contributions at a specified percentage of the covered employees salary (currently 12% of the employee's salary). The contribution as specified under the law are paid to the Regional Provident Fund Commissioner. Contribution towards Pension Fund is paid to the Regional Provident Fund Commissioner at specified percentage of the covered employee's salary on the monthly basis. Amount recognised as expense in respect of these defined contribution plans, aggregate to Rs 5.82 lakhs(Previous Year Rs 5.51 lakhs).

(v) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the management team led by the CEO/ managing director. The Company manages liquidity risk by maintaining adequate net working capital, arranging for working capital facilities in line with the forecast and regularly monitoring cash flows and investments.

Liquidity risk tables

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

The table below provides details regarding the contractual maturities of financial liabilities as at 31.03.2022

As at 31st March, 2022	Contractual Cash flow (Rupees in lakhs)					
	Carrying Amount	Total	Upto 1 year	1 - 3 years	3 - 5 years	More than 5 years
(a) Borrowings	120.94	120.94	64.53	49.45	6.96	-
(b) Trade payables	29.05	29.05	29.05	-	-	-
(c) Deposits received**	332.28	332.28	332.28	-	-	-
(d) Other financial liabilities at amortised cost	29.65	29.65	29.65	-	-	-

The table below provides details regarding the contractual maturities of financial liabilities as at 31.03.2021

As at 31st March, 2021	Contractual Cash flow (Rupees in lakhs)					
	Carrying Amount	Total	Upto 1 year	1 - 3 years	3 - 5 years	More than 5 years
(a) Borrowings	169.97	169.97	75.78	86.14	8.05	-
